

**Publicly-Funded Pre-Kindergarten Education
Windham Southeast Supervisory Union**

Windham Southeast Supervisory Union announces that school districts in the towns of Brattleboro, Dummerston, Guilford, Putney, and Vernon will offer funding for 10 hours per week of pre-kindergarten education for 3-5 year olds in community-based preschools that contract with their local school districts. Pre-kindergarten education is designed to provide young children with developmentally appropriate early learning experiences based on Vermont's Early Learning Standards. In the 2016-17 school year, 280 children in the WSESU towns used public pre-k funding to attend 17 different preschools that have partnership contracts with a WSESU school district. Applications for this opportunity are available at area preschools, on the WSESU website: www.wssu.k12.vt.us, and by calling Janice Stockman at 254-3755.
