

**Publicly-Funded Pre-Kindergarten Education  
Windham Southeast Supervisory Union**

Windham Southeast Supervisory Union announces that school districts in the towns of Brattleboro, Dummerston, Guilford, Putney, and Vernon will offer funding for 10 hours per week of pre-kindergarten education for 3-5 year olds in community-based preschools that contract with their local school districts. Pre-kindergarten education is designed to provide young children with developmentally appropriate early learning experiences based on Vermont's Early Learning Standards. In the 2017-18 school year, 240 children in the WSESU towns used public pre-k funding to attend 18 different preschools that have partnership contracts with a WSESU school district. Applications for this opportunity are available at area preschools, on the WSESU website: [www.wssu.k12.vt.us](http://www.wssu.k12.vt.us), and by calling Janice Stockman at 254-3755.

Parents of four year old children residing in Guilford may be eligible to attend pre K at the Guilford Central School, 254-2271. Putney four year olds may be eligible to attend pre K at Putney Central, 387-5521, and Brattleboro four year olds may be eligible to attend preschool at Oak Grove School, 254-3740.
