

TITLE: Grade Advancement: Retention, Promotion and Acceleration of Students

**CODE: F19
(Mandatory)**

Policy

A goal of the Brattleboro Union High School District #6 is for each student to progress in his or her educational program by reaching a standard of achievement necessary to progress from grade to grade. This policy applies to grade acceleration, retention and promotion in grades 7 through 12.

Definitions

1. ***Acceleration*** is the advancement of a student by more than one grade beyond the current grade level.
2. ***Promotion*** is the single grade step most students take from year to year.
3. ***Retention*** allows a student to repeat all or part of a grade in order to more fully prepare for the work of the next grade.

Promotion, retention and acceleration decisions will be based on the extent to which a student is meeting the standards established by the Vermont Framework of Standards and Learning Opportunities as well as other relevant factors, including social, emotional, physical and mental growth, past academic performance, behavior, motivation, and attendance.

Implementation

The principal will develop rules to implement this policy that will specify a process for determining the promotion, retention or acceleration of individual students.
