Sanctions

A. *Discipline*

1. A student violating this policy, in addition to any penalty imposed by law, shall be subject to disciplinary action by the school.
2. The student may be suspended until a school board hearing can be conducted (following the due process procedures as set forth in Brattleboro Union High School District #6 Policy F1 "Student Conduct and Discipline.")
3. A student found by the Board, after a hearing, to have committed a violation of this policy shall be expelled for at least one (1) calendar year and treated in accordance with the provisions of section A., Sanctions. However, the Board may modify the expulsion on a case-by-case basis when it finds circumstances such as, but not limited to:
  - a. the student was unaware of their conduct;
  - b. the student is disabled and the conduct is related to the disability;
  - c. a lengthy expulsion would not serve the best interests of the student.

Disciplinary action taken in accordance with this subsection shall be consistent with collective bargaining agreements, applicable employment agreements, and/or school district policies.

Notification and Training

- A. *Policy Dissemination:* A copy of this policy shall be included in all school handbooks. In addition, handbooks for faculty, staff, parents, and students shall contain the following provision:

The Brattleboro Union High School District #6 has adopted a comprehensive policy on what to do in the event of a bomb threat or threats to disrupt school operations. You may obtain a copy of the complete policy by requesting one from the principal's office.

While the School District intends to respect the legitimate privacy interests of all persons, it is lawful for school authorities within constitutional boundaries to conduct reasonable examination of personal property on school grounds, including but not limited to, lockers, desks, backpacks, book bags, and motor vehicles. In the event of a bomb threat or other threats, the School District may have to search such items in order to assure the safety and protection of people and property.

It is important for members of the school community to know that any academic time lost as a result of a bomb threat, or other threats intended to disrupt school operations, will be rescheduled, either on a weekend, vacation day, or following what would otherwise be the end of the school year.

In addition, under State law, the making of a bomb threat is a very serious criminal offense, punishable for even a first offense by as much as 2 years in prison and a \$5,000 fine. The making of such a threat may also lead to civil liability.

- B. *Training.* The superintendent shall develop a method of reviewing and discussing this policy with students and employees.

Procedures

The superintendent shall develop comprehensive procedures designed to inform staff of appropriate responses, procedures and protocols to follow up on the receipt of a bomb threat or other threats intended to disrupt school operations; the coordination of responses with local safety and law enforcement agencies; building searches; and communications with the school community and the media.
