

**TITLE: Student Safety**

**CODE: F7**

The superintendent shall develop procedures to insure the maintenance of school facilities, paying particular attention to the following:

- a. Safe conditions in the buildings and on the grounds.
- b. Safe supervision practices, especially in activities presenting potential hazards.
- c. Offering safety education where appropriate.

The board and the school staff are not the guarantors of student safety, and the school does not owe students a duty of immediate supervision at all times and under all circumstances.
