

**TITLE: Enrollment of Children of Faculty and Staff**

**CODE: LBP12**

**Policy**

Brattleboro Union High School #6 Board of Directors authorizes a total of ten openings during any given year (within the BUHS/BAMS campuses) in regular standard enrollment to be used by the children of faculty and staff who do not reside in the district. The children of faculty and staff will be charged ½ of the out of district tuition rate for the school year in which they are enrolling.

Faculty and staff will need to make their desire to enroll their child in one of these openings to the building administrator, in writing, by April 1 of the prior school year. The building administrator(s) will review all requests and will have final approval of all children of faculty and staff, living out of district requesting enrollment at the special rate.

This enrollment will be separate from and not in conjunction with the four school choice slots that BUHS offers each year.

This enrollment will be separate from and not in conjunction with the Windham Regional Career Center admission policy.
