

**TITLE: Board Policy Related to CLEA & WRC**

**CODE: LBP 13**

BUHS #6 expects its suppliers of clothing, including uniforms to conduct their business in a manner which upholds the rights and dignity of workers. BUHS#6 is affiliating with the Workers Rights Consortium (WRC) to further this goal.

The student group CLEA will obtain information from the administration as to the names of vendors utilized by the school. CLEA is then responsible to forward that list to the WRC. The WRC is then responsible for researching the status of the companies from which BUHS#6 is purchasing apparel items, and report any finding to CLEA. CLEA will then report those findings to BUHS#6 officials. BUHS#6 will acknowledge receipt of any recommendations from the WRC and CLEA, but is under no requirement to change its purchasing decisions based solely upon receipt of the information.

Funds (dues) needed for the school to be affiliated with the WRC will be provided through private donations.
