

TITLE: BUSINESS & NON-INSTRUCTIONAL OPERATIONS

CODE: LBP 2

Transportation - Pupil Transportation Utilizing Private Vehicles

A motor vehicle owned by a teacher, paraprofessional, or other employee shall not be operated in the transportation of school children to/from school-sponsored functions at any time when the owner and operator thereof is not insured under an insurance policy to indemnify against liability for damages for personal injuries of a minimum of \$300,000. Number of persons to be transported, including children, shall be less than or equal to the number of seat belts. Each school child must be strapped into a seat belt during transporting.

A motor vehicle owned by an employee is not insured by the school system for comprehensive or collision losses, but liability in excess of own limits is provided.
