

TITLE: Attendance at Board Meetings

CODE: LBP-5

Board member attendance at Board and committee meetings is critical to the effective operation of the board, as well as the effective representation of board members' constituents. The Vermont School Board Association's Code of Ethics for School Board Members calls for school board members to: "Attend all regularly scheduled board meetings, insofar as possible, and review study materials about the issues to be considered on each agenda."

The clerk of the board will monitor the attendance of board members at board meetings. The clerk will see that information concerning board members' attendance is published in the BUHS #6 Annual Report.
