WSESU SCHOOL START TIME 2011-2012

The WSESU has studied the options of changing the start and end times for the schools in our district. The reason for this is that a growing body of research demonstrates that high school students benefit from more sleep. Delaying high school start times, even by 30 minutes, improves academic performance: better grades, better attendance, and a higher graduation rate.

A study committee made up of parents, teachers, and administrators has been considering the implications associated with this change since January 2011. However, this review has been ongoing for over a year. Input from parents and community questionnaires indicate support for this change.

As a result of this study, the district will implement the following changes to the start and end times for our schools (see 2011-12 schedules on the right):
